

Multiday Clothing and Personal Gear Pack List

Thank you for choosing San Juan Outfitters for your multi-day kayak expedition in the San Juan Islands! The packing list below includes the things you'll need on your tour with us. For our 3 day tours each participant will receive one 20L dry bag and one 5L dry bag. We do recommend packing all items on the list. Upon arrival to Friday Harbor, if your guide identifies items that be left behind, we'd be happy to store your items securely.
